This one's for our friend Curt. For those who didn't know Curt he was well known for misinterpreting a 441 point single use Waffle House bonus in 2006 during Butt Lite III and came to scoring with receipts from 44 locations instead of 1. He gained the moniker "Waffle Boy" from this one and always had a good sense of humor about it. He was also one hell of a good guy. In Curt's honor we'd like you to stop and order up a waffle and bring us ONE receipt from any location you choose. We also want a picture of said waffle. We're looking for some good pictures from this bonus so be creative and feel free to use a larger picture size FOR THIS BONUS ONLY! We'll also let you claim this bonus ANYTIME during the rally. So sit down, relax, enjoy a waffle and think about family and friends and the good time you're having riding your motorcycle.
